## CENTRE INFORMATION

### Ministry of Education - Relicising Visit

On Monday May 23<sup>rd</sup> we had two personnel from the Ministry of Education here to check your preschool to make sure we are meeting the new regulations (2008). The following areas are now required

- if your child requires to use an inhaler you need to demonstrate to a staff member how to use this with your child
  - we are updating our current enrolment form which will be displayed soon for viewing/feedback.
  - some policy changes are now required due to new regulations
- Overall there were no major areas of concern.

### Payment of Accounts

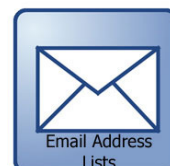

The late payment of fees can place a considerable strain on the centre and on the centre's ability to deliver the high quality service we pride ourselves on, and we need a cash flow to pay our staff and accounts. Failure to pay fees after a period will result in the cancellation of your child's placement at the centre with any outstanding fees being passed over to a debt collection agency.

We thank those families who keep up to date and we really want to promote our weekly internet banking option - easier for you - and us. Bank details are...

### Email address updates

If your email address has changed since your child enrolled please update this with Vicki as we are now emailing invoices and newsletters. Thanks!

## COMMITTEE INFORMATION

**Coffee Morning / Parent Education** - On Tuesday 14<sup>th</sup> June at 9.15am we have Charlotte Hastings from Eatfit coming to speak about good food choices for young children, tips for fussy eaters and food storage. An area will be set up for those children who are not enrolled on that day to play.

**DISCO** - Many thanks to those who attended our disco last Friday. What a great night! We appreciate the families who helped. Slideshow photos are in the Whanau room. If you see a photo you would like let Vicki know - email for free, print out a cost!

**Working Bee** - A working bee has been organised for Saturday June 11<sup>th</sup> for a couple of hours to improve our environment. Examples - removing cobwebs from building, installing wire line outside, general maintenance. We have had only 3 families volunteer and really would appreciate a couple more. Interest sheet in whanau room.
